What can we do together, to have a better future at a time of change?

Dudley CIL and Dudley's Adult & Community Learning (ACL) invite you to a unique gathering of people. A day for people of all impairments, disabilities, or have a long term illness. We welcome friends, families, carers & service providers. It is a day to meet new people, who may have the same interests as you. You can join in with activities. Sport - Art - Music - Drama - Photography - Craft and more. Start the journey with Dudley CIL a user led disabled people's organisation, an open door welcoming everyone.

Everyone is welcome

You can tell us what you want to do & the barriers you think, stop you doing more. Find out about inspiring projects, and join up with people who share your ideas. Do they experience the same barriers as you? Join us in the morning or afternoon. Lets network better, lets share information, boost access, gain & share resources. May be get some funding and use the money we have better. Lets find a pathway using personalisation, choice and control. Do something with the jargon surrounding our lives and cut a pathway that improves the lives of disabled people in the Dudley Borough.
