

Dudley Borough Public Healthcare Forum Meeting

Thursday 13th February 2014

5.30pm until 7.30pm

Brierley Hill Civic Hall, Bank Street, Brierley Hill, DY5 3DH

Closing the loop

We know it is really important to feed back to you after any consultation – to close the loop and let you know how we have listened and taken your views and opinions into account when making our decisions

Our Urgent Care Consultation finished on 24th December 2013 and over 3000 of you shared your thoughts on our proposals. Come and join our GPs and Accountable Officer to find out more

Meetings are friendly and informal and we will be having a buffet supper so booking is essential!

To book your place or find out more email
