Is your work place disability confident?

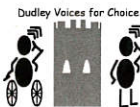

- **Have you any learning disabled workers?**
- **Do you know the benefits of employing a person with a learning disability/autism?**

Have we got you thinking about it?

We are promoting the employment of people with a learning disability and or autism.

Through the Disability Confident campaign, the government is working with employers to remove barriers, increase understanding and ensure that disabled people have the opportunities to fulfil their potential and realise their aspirations.

Dudley Voices for Choice and Employment Plus need your support to do this.
