Christmas Day Community Meal

We need your help!

Creative Support are hosting a free Christmas meal on Christmas Day at the Savoy Centre, Northfield Road, Dudley, DY2 9ES. There will be a buffet, fun, games and activities for people living in the Dudley community who are isolated!

We need volunteers to help with this on the day! Time is one of the most precious things that you can give to someone, so if you would like to help us tackle isolation in Dudley on Christmas Day, then get in touch!
