

4 Seasons News

for people with learning disabilities by people with learning disabilities

Hello. Welcome to April's 4 Seasons newsletter. This is our fourth newsletter. It has been a year since we started. In this time we have come up with lots of useful and helpful information. Thank you to everyone who has been reading our 4 Seasons newsletter.

On the 24th February at Brierley Hill Civic Hall was the Shine Event.

The Lady Mayor was there. People with learning disabilities and autism wowed the audience with their talents. There were plays, poems, singing and dancing. Everyone had a great night.

We are having a competition this month. We are going to look at summer poems.

The winning poem will be put in the next newsletter with your photo.

So get writing and send your poems to us!

How would you find a house mate?

We want to know how this happens in Dudley.

Please get in touch with Dudley Voices for Choice on 01384 422666.

Not many people who have a learning disability vote and have their say.

People with learning disabilities are voters who need to be listened to.

It is important that people use their right to vote.

This is so people with learning disabilities can have a say in what happens in the country and in their local area.

Mencap have been running a campaign called "Hear My Voice" to get people to vote.

There is going to be a General Election in May.

You have the right to vote and make a difference!

Make sure you have your say on Thursday 7th May.

World Down Syndrome Day

On the 21st March it was the 10th Anniversary of World Down Syndrome Day.

Did you wear your funny socks?

If you did anything special for this day please let us know what you did.
